Summary:

Completed Bachelor of Science (BSc) in computer science and Engineering from American international university of Bangladesh (AIUB) & was involved in several extra-curricular & volunteer activities for personal & professional development.

Career Objective:

My goal as a computer science worker is to use my technical knowledge and problem-solving abilities to help create creative, useful answers to problems that arise in the real world. In order to continue learning and developing while having a significant influence on the field of computer science, I want to be a part of an energetic team of experts. My understanding of programming languages, frameworks, and software development methods is constantly expanding.

Internship:

Teaching Assistant

Duration: May 2021–september 2021 | Location: AIUB

-Intern as a teaching assistant in AIUB. Being a Teaching Assistant, I was allotted to two operating system courses. My commitments were to measure cooperation from Microsoft Team & support sheet and put it to inspecting rule sheet, checking task sections, checking scholarly robberies and posting test marks into the overwhelm sheet structure the substance. I was appointed in operating system B and C individually. I had two classes on Monday from 8 am to 11 pm and another was same time Sunday from 2 am to 5 pm also.

Academic Qualification:

B.Sc. (Bachelor of Science):

American international university of Bangladesh (AIUB)

Field of Study: Computer Science and Engineering | CGPA: 2.99 out of 4 scales | (Duration: Mar 2017-Dec 2022)

H.S.C (Higher Secondary Certificate):

Biam Model School and college, Rangpur; Science with GPA: 4.58 out of 5 scales. Board: Dinajpur (Completion year:2016)

S.S.C (Secondary School Certificate):

Police Lines School and College, Rangpur; Science with GPA: 4.31 out of 5 scales. Board: Dinajpur (Completion year:2014)
